It's there some way to get around this, without creating a new installation? A: Maybe, try reinstalling. I use the online installer (.exe) for any Adobe product - it gets updated frequently, so when there is a .zip file that should be also updated by the online installer, it gets updated in the installer. That is what I use for my Adobe CSS Suite, and is what I believe many other users do also. Sara: Attached is the revised form of US/Canadian ISDA Schedule. I hope we can sign on the 16th!
